Dr. N.M.Veeraiyan, started Saveetha Dental College & Hospital in Chennai in 1988 and subsequently College of Nursing in 1992, College of Physiotherapy in 1993 and College of Occupational Therapy in 1998 .The service to the cause of education was extended to other fields by establishment of Saveetha Engineering College in 2001. He had a vision to impart education on par with international standards by updating the curriculum and reforming examination system and to expose & engage students & faculty in research activities . This led to the creation of a Deemed to be University namely Saveetha University in 2005. The staff & students of Saveetha University look up to him for guidance, as they admire his vision & his genuineness & commitment to the human cause & education.
