Kor'O T'au Bor'kal: A skilled Air Caste admiral, commanding fleets with precision and achieving numerous space combat victories. Did you know that the Tau
have a unique caste system that not only determines their roles in society but also affects their physical appearance and abilities? The Tau society is divided into five castes: Fire, Earth, Water, Air, and Ethereal. Each caste has distinct physiological traits tailored to their specific roles. For example, the Air Caste, responsible for piloting and space
travel, is taller and lighter, with a skeletal structure adapted for low-gravity environments. This intricate caste system is a fundamental aspect of Tau culture and their approach to achieving the Greater Good, demonstrating their unique approach to societal organization and evolution.
