Link to this page: With reference to diplomacy, all Napoleon's arguments as to his magnanimity and justice, both to Tutolmin and to Yakovlev (whose chief concern was to obtain a greatcoat and a conveyance), proved useless; Alexander did not receive these envoys and did not reply to their embassage. Every master in Chancery has had a reference out of it. Reference was made to the historical story of Jonah and the whale in the preceding chapter. He gave me some letters of introduction, in the name, I think, of my travelling companion; they bore reference to a supposititious little boy who had been left with a widowed mother who didn't know what to do with him, the poor lady had thought, as a means of thawing the tardy compassion of her relations in his behalf, of sending him to a Yorkshire school; I was the poor lady's friend, travelling that way; and if the recipient of the letter could inform me of a school in his neighbourhood, the writer would be very much obliged. And I wound up by a neat reference to the private inquiries which she is interested in making, and to the personal independence which she is desirous of securing before she acts on her information. In general, the impossible must be justified by reference to artistic requirements, or to the higher reality, or to received opinion. Philip, morbidly nervous when he had to make any reference to artistic requirements, or to the higher reality, or to received opinion. Philip, morbidly nervous when he had to make any reference to artistic requirements, or to the higher reality. head. These few facts are all that can be relied on with any degree of certainty, in reference to the birth, life, and death of Aesop. A confused sensation of having suddenly lost my familiarity with the past, without acquiring any additional clearness of idea in reference to the present or the future, took possession of my mind. Little accustomed, in her long seclusion from society, to measure her ideas of right and wrong by any standard external to herself. Hester saw -- or seemed to see -- that there lay a responsibility upon her in reference to the clergyman, which she owned to no other, nor to the whole world besides. The merits of a broken speculation, or a bankruptcy, or of a successful scoundrel, are not gauged by its or his observance of the golden rule, 'Do as you would be done by,' but are considered with reference to their smartness. ref'ere. to which a name or designation stands; denotation. a direction in a book or writing to some other book, passage, etc., to which one is directed. See reference mark (def. 2). material contained in a footnote or bibliography, or referred to by a reference mark. use or recourse for purposes of information: a library for public reference. a person to whom one refers for testimony as to one's character, abilities, etc. a statement, usually written, as to a person's character, abilities, etc. a statement, usually written, as to a person's character, abilities, etc. a statement, usually written, as to a person's character, abilities, etc. a statement, usually written, as to a person's character, abilities, etc. a statement, usually written, as to a person's character, abilities, etc. a statement, usually written, as to a person's character, abilities, etc. a statement, usually written, as to a person's character, abilities, etc. a statement, usually written, as to a person's character, abilities, etc. a statement, usually written, as to a person's character, abilities, etc. a statement, usually written, as to a person's character, abilities, etc. a statement, usually written, as to a person's character, abilities, etc. a statement, usually written, as to a person's character, abilities, etc. a statement, usually written, as to a person's character, abilities, etc. a statement, usually written, as to a person's character, abilities, etc. a statement, usually written, as to a person's character, abilities, etc. a statement, usually written, as to a person's character, abilities, etc. a statement, usually written, as to a person's character, abilities, etc. a statement, usually written, as to a person's character, abilities, etc. a statement, usually written, as to a person's character, abilities, etc. a statement, usually written, as to a person's character, abilities, etc. a statement, usually written, as to a person's character, abilities, etc. a statement, usually written, as to a person's character, abilities, etc. a statement, usually written, as to a person's character, abilities, etc. a statement, usually written, as to a person's character, abilities, etc. a statement submitted to a referee in law a direction of the attention to a passage elsewhere or to another book, document, etc a book or passage referred to a mention or allusion: this book contains several references to the Civil War the relation between a word, phrase, or symbol and the object or idea to which it refers a source of information or facts (as modifier): a reference book, a reference book, a reference book a reference book or passage referred to a mention or allusion: this book contains several reference book or passage referred to a mention or allusion. library a written testimonial regarding one's character or capabilities a person referred to for such a testimonial (followed by to) relation or delimitation, esp to or by membership of a specific class or group; Pashinyan's spokesman suggested that the billionaire had decided to use a "classic manual received from the north" - a clear reference to Russia. "I'm just excited to see it," she says, referencing what will be her first Glastonbury experience. The film is also a cultural phenomenon: dialogues are quoted at weddings, referenced in political speech in the House of Commons. US Secretary of State Marco Rubio defended the efficacy of the US strikes on Iran, apparently referencing the uranium conversion facility at Isfahan. allusion hint innuendo mention note quotation What does reference means an act of referring, that is, and the name of the author for future reference means and it exceeded to, as in The greedy pig named Bob Bacon was a reference to the actual business tycoon of the same name. Reference is a direction or citation leading a reader to another book or passage for more information, as in The author listed several references at the bottom of the page. Any of these senses can also be used as verbs, as in All of the graphical data was referenced at the end of the study. Reference is also commonly used to mean people that give testimony about a person's character, such as for a job application. Example: Teachers often tell their students how many references their research papers need to have.refereereference bookBrowse#aabbccddeeffgghhiijjkkllmmnnooppggrrssttuuvvwxxyyzAboutCareersContact usCookies, terms, & privacyHelpFollow usGet the Word of the Day every day! © 2025 Dictionary.com, LLC
