No Brand is More Dependable Ranges that are designed to be accessible and easy to open. Whether you're an adventurous cook or a novice in the kitchen, GE Appliances ranges offer a variety of styles and features to appeal to your tastes. Choose from electric range stoves, gas ranges, and dual fuel ranges for your kitchen space. We also have induction cooking ranges with convection ovens for more advanced cooking and baking techniques. Some of our stoves feature double ovens that allow baking at two separate temperatures. And slide-in electric ranges provide a built-in look. And for those who seek innovative technologies, our smart ranges allow you to preheat your oven, check cooking times, and change oven temps from just about anywhere via our Smart HQ app and your mobile device. Check out our convection oven ranges, electric slide-in ranges, and freestanding ranges to find the right range for your kitchen. Our stainless steel ranges are popular for modern kitchen spaces, while our black ranges and white ranges fit more traditional designs. Every kitchen needs a reliable oven and stove. Combining cutting-edge technology with beautiful aesthetics and exceptional performance, our diverse electric stove oven collection is designed to make your life easier. With GE Appliances, your electric range does all the hard work so you don't have to. Equipped with innovative features like WiFi connectivity and Profile Connect, our electric range stove designs are made to elevate your cooking experience. Monitor and upgrade your range settings remotely using the SmartHQ App and use the No Preheat Air Fry settings for faster and healthier cooking results. For a simpler and more consistent baking experience, opt for a convection oven. And, for hassle-free maintenance, choose one of our models with a delay clean setting for oven self-cleaning at a time that works best for you. Whatever you need from your electric range, there's a smart feature to match.
