

Cdl test florida

Advertise Here! - Advertisement Welcome to the FL CDL Practice Test section. These Florida DMV tests we designed to be used with the 2025 Florida CDL Manual to get you ready to pass the CDL exams. These tests includes General Knowledge, Air Brakes, Combination, Doubles & Triples, Tanker, Hazerdous Material, Passenger, and School Bus. We have also created Pre Trip practice tests to get you stated on the Pre Trip inspection exam that follows passing your written exams. We have three options to help you on your path. Our CDL Practice Tests offer immediate feedback showing you the question, your answer, the correct answer, and an explaination. We also have a CDL Quick Review which take the form of flashcards, and the CDL Exam Simulator that will give you chance at a real testing environment Advertise Here! - Advertisement General Information NOTICE: EFFECTIVE FEBRUARY 7, 2022, THE FEDERAL MOTOR CARRIER SAFETY ADMINISTRATION'S (FMCSA) ENTRY LEVEL DRIVER TRAINING (ELDT) REGULATIONS WILL TAKE EFFECT. THESE REGULATIONS SET THE BASELINE FOR TRAINING REOUIREMENTS FOR ENTRY LEVEL COMMERCIAL DRIVERS. THE TRAINING REOUIREMENTS MUST BE VERIFIED PRIOR TO TAKING A SKILLS TEST WITH THE EXCEPTION OF DRIVERS TAKING THE KNOWLEDGE EXAM TO OBTAIN A HAZARDOUS RESEMENT FOR THE FIRST TIME. IN WHICH CASE THE REQUIREMENTS MUST BE VERIFIED PRIOR TO TAKING THE EXAM. ENTRY LEVEL DRIVER TRAINING APPLIES TO THOSE APPLYING TO: IF A DRIVER HOLDS A COMMERCIAL LEARNERS PERMIT (CLP) THAT WAS ISSUED BEFORE FEBRUARY 7. 2022. THE DRIVER IS NOT REQUIRED TO COMPLETE ENTRY LEVEL DRIVER TRAINING AS LONG AS THE DRIVER OBTAINS A CDL BEFORE THE CLP EXPIRES. FLORIDA WILL ALLOW THE APPLICANTS TO BE SCHEDULED FOR A CDL SKILLS TEST PRIOR TO THE APPLICANTS TO THE APPLICANTS TO THE APPLICANTS TO THE INFORMATION BEING UPDATED IN THE TRAINING PROVIDER REGISTRY (TPR). HOWEVER, THE ELDT REQUIREMENTS MUST BE MET BEFORE TAKING THE TEST. FOR MORE INFORMATION VISIT FMCSA'S ELDT WEBPAGE. Customers with CDL licenses that have expired for one year or more, will be required to complete and pass all applicable CDL knowledge and skills exams to obtain a new "Original" CDL. Do I need a CDL? All applicants for a Commercial Driver License are required to have an Operator's License, pass the vision requirements, and pass knowledge and skills tests. Applicants must be at least 18 years of age. If they are under 21, they will be restricted to intrastate operation only. Applicants must be a Florida resident. Knowledge tests are offered in multiple languages and may be taken orally in English. Interpreters may not be used during the administration of any tests. Review the CDL Handbook Proof of Florida Residency for CLP and CDL Applicants All customers applying for an original CDL or Commercial Learner's Permit (CLP) must present one of the documents listed below to establish Florida residency: A current Florida Class E Driver License or Florida Identification card held for a period of more than six (6) consecutive months. A lease agreement, in the customer's name, that has been in place for a period of more than six (6) months ago. A Florida Voter Registration Card. A statement of domicile pursuant to section 222.17. F.S. A homestead tax exemption filing on property in this state Class A Requirements - To operate trucks or truck combinations weighing 26,001 lbs or more, and towing a vehicle/unit over 10,000 lbs, a Class A license is required. Get the latest (2025) official FL CDL Handbook. Test Format: Computer-based at Florida FLHSMV offices General Knowledge Test: 50 questions, need 80% to pass Permit Validity: 12 months Waiting Period: 14 days before skills test Languages: English only Fees: \$75 for initial license and renewal, \$48 for school bus drivers Endorsement Retesting: Wait until next business day to retest, \$10 fee for written exams The Florida CDL knowledge test is a commercial driving regulations assessment. You must pass this test to get a Commercial Learner's Permit (CLP) which is required before you can take the skills test for a full CDL. The test covers CMV operation, safety regulations, traffic laws and safe operating procedures. It's taken electronically at FLHSMV offices throughout Florida. Questions cover both federal regulations and Florida specific rules, so you'll have the knowledge to operate commercial motor vehicles in Florida and across state lines if applicable. You need to take the test if you're: Getting your first CLP Adding a new endorsement Upgrading your CDL class (from Class B to Class A for example) Reinstating an expired CDL (over one year) Transferring a CDL from another state with new endorsements All applicants must take the general knowledge test plus additional tests for specific endorsements like Passenger (P), School Bus (S), Tank Vehicles (N), Hazmat (H), or Doubles/Triples (T). Each endorsement has its own test for that vehicle or cargo type. The test ensures commercial drivers have the necessary knowledge to operate CMVs safely. It verifies understanding of regulations, safety practices, technical knowledge and emergency procedures. This helps maintain safety standards and reduces accident risks on public roads. size and weight, so proper knowledge and training is essential before operating these vehicles. The knowledge test is the first step in making sure you're ready for the responsibility of commercial driving. The test follows Federal Motor Carrier Safety Administration standards with Florida specific regulations added. This ensures national consistency in commercial driver qualifications while addressing state specific requirements. So your Florida CDL will be recognized throughout the United States, you can operate CMVs across state lines (as long as you meet age and other qualifications for interstate commerce). General Knowledge: 50 questions Combination Vehicles: 20 questions Tank V are multiple choice with 4 possible answers for each question. The tests thoroughly cover safety procedures, regulations and technical aspects of commercial motor vehicles. Sample question: During your pre-trip inspection you notice a brake hose that appears to be worn. What should you do? Continue your trip but have it checked at your next scheduled maintenance Note it on your inspection report but continue your trip Apply more pressure when using the brakes Do not drive the vehicle until the hose is replaced. You must answer 80% of questions correctly on each test: General Knowledge: 40/50 Air Brakes: 20/25 Combination Vehicles: 16/20 Passenger Endorsement: 16/20 School Bus Endorsement: 16/20 Hazmat Endorsement: 16/20 Bach test is scored separately and you must pass each one individually. If you fail one test but pass others, you'll only need to retest the failed test. The test is only in English. Federal regulations require commercial drivers to read and speak English sufficiently to understand traffic signs, communicate with officials, complete records and understand shipping documents. This ensures all commercial drivers can safely navigate roadways, communicate with law enforcement and emergency services, and properly handle documentation. There are no exceptions to this language requirement for CDL testing in Florida. No. You cannot use notes, electronic devices, reference materials or calculators during the test. Testing areas are monitored and using prohibited materials will result in test failure. All personal items must be stored in a designated area during testing. This includes: Cell phones and electronic devices Notes or cheat sheets Commercial Driver License manuals Reference materials during testing could result in immediate disqualification and may affect your ability to test again in the future. There is no time limit, but most applicants complete the general knowledge test in 60-90 minutes. Most endorsement tests take 30-45 minutes each. Plan accordingly if taking multiple tests in one visit. The FLHSMV provides sufficient time to complete the tests without rushing. If you have documented learning disabilities or other special needs, accommodations may be available with proper documentation. General Knowledge (required for all CDLs) Air Brakes (for vehicles with air brakes) Combination Vehicles (for Class A licenses) Passenger (P) Endorsement (for buses) School Bus (S) Endorsement Tank Vehicle (N) Endorsement Hazmat (H) Endorsement Each test covers specific knowledge for that class of vehicle or type of operation. You only need to take the tests relevant to the type of commercial driving you plan to do. Sample question: When driving at night, how far ahead should your headlights allow you to see clearly? At least 100 feet At least 250 feet with low beams and 350-500 feet with low beams and 350-5 feet with high beams At least 500 feet with low beams and 750 feet with high beams. General Knowledge: Vehicle inspection procedures, basic control, shifting gears, space management, night operating, adverse weather conditions, emergency procedures, cargo handling, accident procedures, fires, fatigue awareness and basic hazardous materials regulations. Air Brakes, proper use in various conditions, emergency stops, brake system failures and brake lag/fade. Combination Vehicles: Coupling and uncoupling procedures, inspection points, handling characteristics, rollover prevention, jackknife avoidance, turning techniques and backing procedures for combination vehicles. Passenger (P): Passenger loading and unloading procedures for combination, accessibility prerequisites, dealing with disruptive passengers and railroad crossing qualifications for passenger vehicles. School Bus (S): Student loading procedures, emergency evacuation protocols, operating around schools, railroad crossing procedures, student management, danger zones around the bus and special equipment. Doubles/Triples (T): Coupling and uncoupling multiple trailers, handling characteristics during various maneuvers, inspection procedures, identifying and correcting handling, baffled versus non-baffled tanks, loading/unloading procedures and special braking for partially full tanks. Hazmat (H): Classification of hazardous materials, proper documentation, loading/unloading procedures, driving rules, emergency response procedures and security awareness. Study all relevant sections of the Florida CDL Manual Take our free practice tests for Florida CDL Manual Take our free practice tests for Florida CDL Manual Take our free practice tests for Florida Create a study schedule over several weeks rather than cramming Make flashcards for difficult concepts and technical terms Focus extra time on challenging topics (air brakes, hazmat) Review the pre-trip inspection procedures thoroughly Pay attention to Florida-specific regulations and standards Study vehicle systems and components until you understand how they function Familiarize yourself with all required documentation and procedures The key to success is consistent study over time rather than last-minute cramming. Many applicants underestimate the technical knowledge gaps in your understanding Build confidence through repeated practice Track your progress Get explanations for correct and incorrect answers See types of questions on the actual test Our practice tests has been shown to increase first-time pass rates. Start studying 2-3 weeks before your test date Understand concepts not just memorize answers Take our practice tests to focus on weak areas Get plenty of rest the night before Eat a good meal before testing to stay focused Read questions completely before answering Look for keywords like "always," "never," or "except" that can change the question Choose safety answers when unsure Review all answers before submitting if allowed Stay calm and focused Sample question: How much stopping distance About half the distance About twice the distance Up to 3-4 times the distance About half the distance. Our practice tests cover the same topics and format as the actual test, but questions are different. We design our questions to match the style, difficulty and content of the Florida CDL knowledge test. The practice tests help you get used to: Question formats and wording Content and depth Time management Critical thinking for test success Focus on understanding concepts not just memorizing answers, as the actual test draws from a large question bank and each test is unique. At Florida Highway Safety and Motor Vehicles (FLHSMV) offices that offer commercial licensing services. Not all FLHSMV offices offer CDL testing, so check the FLHSMV website or call ahead to confirm. Testing locations have special equipment and staff for CDL testing. Major testing locations are in Miami, Tampa, Orlando, Jacksonville, Tallahassee and other cities throughout Florida. Yes, appointments are recommended. Schedule through through the very long and you may not be able to test that day if capacity is reached. Scheduling an appointment ensures you'll be evaluated at your preferred time and location. No. All CDL knowledge assessments must be taken in person at authorized FLHSMV offices to ensure security, identity verification and examination integrity. This is a federal requirement that applies to all states, not just Florida. In-person testing prevents cheating and ensures the person receiving the CDL is the one who demonstrated the knowledge. Required documents: Valid Florida driver's license (Class E) Social Security card/number Proof of citizenship/legal residency (birth certificate, passport, permanent resident card, etc.) Proof of Florida residency (two documents showing your Florida address) Current DOT Medical Certificate (Form MCSA-5876) Completed CDL application documents for security threat assessment Other: Reading glasses if needed Appointment confirmation Knowledge of your medical history for medical certification All documents must be original or certified copies. Photocopies are not accepted. If you're unsure about documents, contact the FLHSMV before your appointment or visit the Florida FLHSMV contact the FLHSMV before your appointment or visit the Florida FLHSMV contact the FLHSMV conta Document verification Application processing Fee payment Getting settled before the assessment begins If you arrive late, you may have to reschedule. First-time applicants should arrive 30 minutes early to allow time for paperwork processing. Traffic and parking at FLHSMV offices can be unpredictable, so plan accordingly. You'll receive a Commercial Learner's Permit (CLP) valid for 12 months with these conditions: Must wait at least 14 days before taking the skills assessment Can only operate a CMV with a qualified CDL holder in the passenger seat No passengers except supervisors, trainees or examiners No hazardous materials transport Other restrictions based on vehicle type/endorsements Specific endorsements you passed assessment. This practice operating commercial motor vehicles while supervised before taking your Skills assessment. This practice time is important to develop the skills needed to pass the behind-the-wheel test. Scores are valid for 12 months, same as your CLP. If your CLP expires before you complete the skills assessment, you'll need to retest all knowledge exams. There are no extensions on score validity, so plan to complete your skills test within the 12-month window to avoid having to retest. retest Only retest the sections you failed Use our practice tests to focus on weak areas Review incorrect answers to understand why they were wrong Consider studying with different methods if you're struggling with particular topics. There's no limit to how many times you can retest, but repeated failures may mean you need more preparation. The retesting fee in Florida is \$10 for written exams. Sample question: If you're involved in an accident while carrying hazardous materials Begin cleaning up any spilled materials Try to move your vehicle out of traffic Answer: B. Protect yourself and others from the hazardous materials. After holding your CLP for at least 14 days: Go to GoRenew.com or call (850) 617-2000 Make sure your CLP is valid and medical certificate is current Arrange for a test vehicle that matches your CLP is valid and medical certificate is current Arrange for a test vehicle that matches your CLP is valid and medical certificate is current Arrange for a test vehicle that matches your CDL class Pay the skills test fee (\$75 for all license classes in Florida) Choose a date and time from available slots Skills tests are conducted at different locations than knowledge exams. The skills test consists of a pre-trip inspection, basic vehicle control and on-road driving demonstration. Make sure you're prepared for all three parts before scheduling. Back to Program Home Updated for June 2025 FL commercial driver's license manualTo obtain a Commercial Driver's License (CDL) in Florida, there is a series of requirements you must meet. There are three classes of CDLs. A Class A CDL allows you to operate combination vehicles with a Gross Combination Weight Rating (GCWR) of 26,001 pounds or more in which the towed vehicle weights more than 10,000 pounds. This is the class of CDL you must get to drive semi-trucks or tractor-trailers. A Class B CDL allows you to operate a single vehicle which a Gross Vehicle with a Gross Vehicle which a CDL allows you to operate relatively smaller vehicles designed to transport hazardous materials or 16 or more occupants (including the driving. To practice commercial driving (under supervision), you must obtain a Commercial Learner's Permit (CLP). And for that, you must submit to a medical examination and pass the official Florida Commercial Driver License Manual contains all the information covered by the guestions on the official knowledge test. But it's written like a reference work, not like a textbook to facilitate self-study. One better study tool is our set of General Knowledge practice tests like this one. The structure and content of this free Florida CDL permit practice tests like this one. The structure and content of this practice tests like this one. test, you'll find 50 questions on such topics as backing, driving on downgrades, cargo management, driving emergencies, stopping distance, and Florida driving laws. But unlike the official test, each of our practice questions includes a helpful hint and an explanation of the correct answer. So, what is driving in Florida like? If you've lived there for some time, you probably already have an idea. It can be gorgeous in much of the state, the winter envy of Northerners battling frigid winds, blizzards, and Nor'easters. Florida is the only continental US state with a tropical climate (south of Lake Okeechobee). But with that climate can come heavy rainstorms and thunderstorms, and even hurricanes (especially from August to October). Test-taking tip: Read all answer choices carefully before you select one. One or more answers may seem plausible - but you must select the best or most complete answer. Pass the first time with Premium What is the main reason to perform a vehicle inspection? Which of the following is NOT a key steering system component?The minimum tire tread depth for the front tires is How many reflective warning triangles must you carry with you for emergencies?Your vehicle's safety equipment must includeWhy should you use a helper when you're backing your vehicle?The most important hand signal that you and a helper should agree on is Which of the following statements about retarders are true?When going down a downgrade in a vehicle with an automatic transmission, you should to shift up, you should release the accelerator, push in the clutch and shift into neutral, and then Total stopping distance equals Where should you place your warning devices if you must stop on a one-way road or divided highway?According to the Florida CDL Handbook, how far ahead should you look while driving? If you double your speed, how much more distance will it take to brake to a stop? Why should you keep your tires properly inflated? What is the best way to check what is going on behind and to the sides of your vehicle?" A truck's braking distance is shorter when it's empty than when it's fully loaded." True or false? In which of the following conditions is hydroplaning most likely? What is the best way to figure out how many seconds of following distance you have? Avoid swinging left before you turn right because If another driver is tailgaiting you, the best course of action is to You should inspect wheel bearing seals for If you are driving a 30-foot vehicle at 55 mph, you should leave how many seconds of following distance? What is the definition of a hazard? If you feel drowsy while driving, what should you do? Letting the air out of hot tires. or less of sleep the night before your trip will triple your risk of an accident. When you start to drive down a steep downgrade, which of the following should influence your choice of speed? Which of the following is MOST likely to get stuck on raised railroad track?
