

I'm not a bot

Cookies help us to deliver our services, provide you with a personalised experience on our websites. Details Information Reviews Location We are a locally owned and operated company that has been around since 2005. FAST LUBE specializes in providing a professional and convenient experience for every customer that enters our store. We've made our reputation on delivering well-priced services quickly. Let us be the preferred destination to have your vehicle's lubricant needs taken care of. We provide regular parts maintenance to vital fluid replacement. All makes and models come under our care, and each and every service is warranty approved. When you visit our location, you will always find a friendly and relaxed atmosphere. Our employees are on a non-commission based salary unlike other service centers. Therefore there are no pressurized sales. At FAST LUBE you can relax and enjoy coffee, hot chocolate, tea as well as WI FI internet while technicians quickly get you back on the road.Products & Services Our Customer Service Guarantee We will provide you with the fastest and most convenient service with no appointments needed. The most competent technicians trained at the highest level will serve you. We will offer you a relaxed, honest and safe environment with free beverages and TV for your viewing. We will provide the best preventative maintenance services in the industry. This includes all recommended parts and vital fluid replacements. All our pricing is 'customer friendly', so maintaining your vehicle in top condition will easily be affordable. All fluid 'top ups' are at no charge Free WiFi access Oil and lube service more...
