Vardenafil orally disintegrating tablet

What is this medicine?

VARDENAFIL professional has all the advantages of the regular pill. Absorbed directly in the mouth, it acts faster. Another notable advantage of Levitra Professional is lesser stimulation needed to achieve an erection, as the nerves of the penis become more sensitive. Also, Vardenafil is less likely to have visual disturbance side effect than Sildenafil.

What should I tell my health care provider before I take this medicine?

They need to know if you have any of these conditions:

- anatomical deformity of the penis, Peyronie's disease, or ever had an erection that lasted more than 4 hours
- bleeding disorder
